How can administration and ASB make you feel more connected to the school and the student body?

**Pirabha Danal,
Senior**

“More interaction between students and student body, and also [with] teachers. And if the ASB could set examples for students to follow, it could really improve the school overall.”

“A booth somewhere near the quad where students can give comments on what improvements they want.”

“Ask more questions to students and let everyone vote on decisions.”

**Zong Wen,
Freshman**

“More activities everywhere because they always focus it in the quad. They could do stuff here [in the canteen].”

**Abram Villanueva,
Sophomore**

“By sending alerts via email from counselors [about] school related events that can be attended by the student body.”

**Dante Principe,
